COME TO WELL MADE & DISCOVER

THE MYSTERY OF LIGHTING

ABOUT US

Ningbo Well Made Electrical Co.,Ltd, established in 2008, is a leading company in Led lighting industry. We have been focusing on manufacturing LED floodlight ,LED mirror light,LED panel light ect for over 10 years.

Well Made is engaged in research, design, manufacture, sales and service, our experienced team are always concentrating on production & developing new products, every month new hot design will be published to stand in line with international markets, now have hundreds of styles exported to Europe, The united states, Southeast, Middle east ect.

Besides, to help grow new and old clients, we provide excellent payment terms for large amount orders, many clients have been successfully become famous LED dealers under our support.

Choose us, we will not only be your supplier but more business partner as your strong backup.
